Section 2: Statistics of parole actions based on the parole guideline recommendation

The following charts represent discretionary and mandatory parole actions based on the discretionary parole guideline. The MPR actions appear as reference only. The guideline for consideration for release under NRS 213.1215 (Mandatory Parole) is whether there is a reasonable probability that the prisoner would be a danger to public safety. When an inmate being considered for release under Mandatory Parole is denied, the underlying reason is the determination that there is a reasonable probability that the prisoner would be a danger to public safety if released on parole.

Section 3: Summary of parole actions that deviated from the discretionary parole guideline

The following represents the number of inmates who were denied parole when the guideline recommended parole should be granted (denials when the guideline recommends parole be granted at 1st or 2nd hearing would become a deviation when parole is denied at the 2nd hearing):

# of Actions to Deny Parole that Deviated:	16
Total Number of Discretionary Denials:	403
Percent of Deviation:	4.0%

The following represents the number of inmates who were granted parole when the guideline recommended parole should be denied:

# of Actions to Grant Parole that Deviated:	3
Total Number of Discretionary Grants:	744
Percent of Deviation:	0.4%

Section 4: Summary of parole actions by offense group

The following charts represent parole actions by offense group as defined by the Department of Corrections. Offenses appearing in the "Sex" category include offenses such as "Prostitution with HIV," "Pandering" and "Failure to Register as a Sex Offender." Offenses that involved violence during the commission of the offense, but with an actual conviction title that would not by itself appear to be violent will not appear in the "Violence" offense group (i.e., a Burglary conviction that included striking a resident would appear in the "Property" offense group). Offenses appearing in the "Other" offense group includes offenses that cannot be readily categorized into one of the other offense groups (i.e., Habitual Criminals, gaming related offenses and Victim over 65 Enhancement which could be a property or violent offense).
