

STANDARD/SPECIAL CONDITIONS:

1. The Board has an approved list of standard conditions of parole which are reflected on the parole agreement prepared and issued by the Division of Parole and Probation. Additions to these standard conditions of parole may occur, or they may be modified, or deleted, as necessary, with the approval of a majority of the Board, at a public meeting.

2. In addition to the standard conditions, the Board has an approved list of special conditions of parole which may be imposed if they are reasonable under the circumstances to assist in the successful completion of parole. Additions to this list of special conditions or parole may occur, or they may be modified, or deleted, as necessary, with the approval of a majority of the Board, at a public meeting. However, individualized special conditions may also be imposed outside of this approved list of conditions as long as they remain reasonable to protect the health, safety, and welfare of the community.

3. All standard and special conditions imposed on offenders granted parole to the community shall also apply to earlier granted paroles that remain on active status.

CONFIDENTIAL INFORMANTS

Because parolees are occasionally requested by law enforcement officials to act as confidential informants, or participate in an undercover capacity, parolees may be exposed to a detrimental environment and/or associates. As such, the Board directs that parole officers be instructed to prohibit parolees under their supervision from acting as confidential informants or participating in an undercover capacity for law enforcement agencies, without the approval of the Chief of the Division of Parole and Probation.
