

## Parole Grants to Sex Offenders (NRS 213.1214):

*(Revised/Approved November 29, 2021)*

1. Per NRS 213.1214, the NDOC shall assess each inmate who has been convicted of a sexual offense to determine the inmate's risk to reoffend in a sexual manner using a currently accepted standard of assessment. This assessment shall be provided to the Board no sooner than 120 days before a scheduled parole hearing. The Board shall consider this assessment before determining to grant or revoke a parole of a person convicted of a sexual offense.

2. If a parolee serving a sentence for a sexual offense ~~listed in NRS 213.1214~~ as defined in NRS 179D.097 is returned to the custody of the NDOC for any reason, the inmate may not be released again on parole unless the NDOC assesses the inmate to determine the inmate's risk to reoffend in a sexual manner using a currently accepted standard of assessment and provides its results to the Board in accordance with NRS 213.1214.
