Chairman DeRicco called on Mr. Gallegos. Mr. Gallegos was in attendance telephonically. Chairman DeRicco informed Mr. Gallegos that his counsel, Richard Cornell, was present in the Carson City office. Mr. Cornell referred to his letter to the Board dated August 15, 2019 and offered a summary of the information included in the letter. This information included a summary of the legal facts of the crime, Mr. Gallegos’s conduct while on parole, and his inability to discuss the facts of the case due to not having access to a Pre-Sentence Investigation report. Mr. Cornell stated that Mr. Gallegos has been remarried for 40 years and has had no reported instances of domestic violence.

Chairman DeRicco then requested Mr. Gallegos verify, to wit, that he is being supervised by the Division of Parole and Probation for his crime of First-Degree Murder and that this is his first application for modification of sentence. Chairman DeRicco stated that the Parole Board had reviewed as part of Mr. Gallegos’s application his grant order, judgement of conviction, presentence report, and additional documentation included in the file. Chairman DeRicco stated that Mr. Gallegos has completed at least 10 years on parole supervision. Mr. Gallegos verified that these facts were accurate. Chairman DeRicco then asked if Mr. Gallegos had ever been revoked on parole as part of the sentence, to which Mr. Gallegos responded that he had not.

Mr. Gallegos was asked why he believes it would be appropriate for the Parole Board to petition the court to remove his lifetime parole supervision condition from his parole on this case. Mr. Gallegos stated that he is 80 years old and he has had no problems with parole officers, police officers and citizens while he has been on parole.

Chairman DeRicco asked Mr. Gallegos why he felt the crime had occurred. Mr. Gallegos stated that he had the weapon on him for protection while he was emptying trash over two miles away from his home. When he returned to the house the victim was holding a 22 rifle and pointing it at a neighbor. Mr. Gallegos took the weapon from the victim and emptied the barrel. Mr. Gallegos stated that at that time the victim started arguing with him and this ultimately resulted in Mr. Gallegos shooting the victim.

Commissioner Baker asked about a mental health report that was requested by the state of Massachusetts due to some problems he had with his officer at the time. Mr. Gallegos explained why he was having a conflict with the officer and Mr. Cornell also stated it was addressed in his August 15, 2019 letter to the Board.

Chairman DeRicco stated that the Division of Parole and Probation requested that Mr. Gallegos’s application be denied. Ms. Cintas from Parole and Probation had no additional comments.

Chairman DeRicco then asked if Mr. DiGennero had ever been revoked on parole as part of the sentence, to which Mr. DiGennero responded that he had not.

Mr. DiGennero was asked why he believes it would be appropriate for the Parole Board to petition the court to remove his lifetime parole supervision condition from his parole on this case. Mr. DiGennero stated that he is 68 years old and feels that it would be easier to travel and take care of family matters if he were off parole.

Mr. DiGennero confirmed that he has no other convictions and has not used any illegal drugs or alcohol while on parole. He also stated that his life would not change much if he was released from parole.

Commissioner Baker asked how often he is seen by his parole officer and how often he is drug tested. Mr. DiGennero stated that he sees his officer and is drug tested every other month.

Commissioner Jackson asked Mr. DiGennero the impact the crime had on the victims. Mr. DiGennero stated that he understands the anger and sadness that the victims and their families have but he knows he cannot make it better, but he does acknowledge the impact of his crime.

Chairman DeRicco stated that the Division of Parole and Probation requested that Mr. DiGennero's application be denied. Ms. Cintas from Parole and Probation stated that Mr. DiGennero has done perfectly on parole but there are also victims to consider.

Mark Quinlan, the brother of one of the victims, spoke about how his family and the other victims' families have suffered because of this offense. He stated that if Mr. DiGennero was truly remorseful for the offense, he would help the victims and not make them continually fight to make sure he serves his sentence. He also stated that sometime in the future he would like to see Mr. DiGennero speak to the surviving victim, Mr. Bailey, to understand how he has been impacted by the offense.

Mr. DiGennero stated that he truly feels bad and his heart goes out to the victims and their families.
