Re: Information for consideration for the ten year review of regulations.

NRS 233B.050(1)(e) requires that each agency review its regulations at least once every ten years to determine whether changes are necessary.

We are planning a public meeting in December to conduct the review.

Attached is a list of the specific sections in NRS 213 which require, or permit, the Board to establish regulations. There is one section for which the Board has not adopted a required regulation, NRS 213.632.

Also, attached for your convenience, is a printout of the most current version of NAC 213. Please note that some of the regulations in NAC 213 pertain to NDOC, P&P and the Pardons Board.

If you have any questions, please feel free to contact me.
